Thank You Mrs. Tomasetti

“The Legend is Retiring” was the heading on the invitation to Carmella Tomasetti’s retirement party and it is so true. Carmella, the administrative assistant for guidance and counseling, is legendary at Rosa, having been here from the beginning. If we gave her a dollar for every locker and schedule she fixed, every meeting and gathering she arranged, every child she helped soothe, every laughed she shared, every person who used her shoulder to cry on, Carmella and her husband, Mike, could take a lovely trip to Hawaii, or Italy, or a similar dream destination. We are just so fortunate and grateful that she called Rosa home for the past 18 years. So here’s wishing the best of everything to the best there is, our beloved Carmella. Last, but not least, here are some parting thoughts from her Rosa family members:

Carmella Tomasetti has personified “quiet reliability.” Mrs. Tomasetti’s work is done in such ways that I, as her supervisor, very rarely have any reason or cause to worry. From the first time I met Mrs. Tomasetti, she always presented an air of confidence, care and compassion for all stakeholders and an undying “frankness” that was used in ways that helpf make Rosa the great place it is today.

She will always have our eternal gratitude for helping construct Rosa into the wonderful place it has become over the last eighteen years. I salute Mrs. Tomasetti in her retirement! **Mr. George Guy, Principal**

I have been one of the lucky ones. Mrs. Tomasetti and I have

worked together for twenty of my twenty-one years in the Cherry Hill School District. We started together at Beck Middle School and both made the move to Rosa when it first opened. She has been a staple of the Rosa community, living the ideals that Rosa strives to uphold. The staff of Rosa has always worked to form relationships that are catalysts for the development of a culture categorized by warmth, concern, openness and understanding. Mrs. Tomasetti exemplifies these characteristics and has proven this throughout her tenure at

Mrs. Tomasetti is an invaluable member of the Counseling Center. In thinking about the tasks/duties that Mrs. Tomasetti has been asked to complete over the years, I realized that there are far too many to mention. This is in part due to the fact that Mrs. Tomasetti not only completed her secretarial duties, but often filled the role of counselor and, therefore, made my life a lot easier. I cannot suitably express the gratitude I have for Mrs. Tomasetti and for the work she has done for the staff and students of Rosa. Thank you, Mrs. Tomasetti! You will be missed! **Mr. Jay Young, Counselor**

Mrs. Carmella Tomasetti represents Rosa as a most capable, congenial and considerate friend. Best wishes on your retirement! **Mrs. Donna Pistone, Language and Literature**

Carmella Tomasetti had a positive and everlasting impact on both the Rosa community and myself. Carm has always been a person to bring a smile to your face, provide a shoulder to lean on for support and, when necessary, someone to bring a wake-up call to snap you back to reality. Carmella is such a loving person who will be greatly missed by the entire Rosa Family. I cannot imagine
