

Talking Rosa Sports

Casey Workman
Grade 7

Middle school is back and kicking, and with Rosa comes Rosa Fall Sports! I've interviewed some people involved in the sports, and here's what they said:

Q: How does the Cross Country team shape up this year?

A: "I think our line-up all around is very good this year, with some young talent from our 6th grade that should help us win Cherry Hill Championships," says Dylan Hagan, 7th grade. He was on the

Cross Country team last year, being one of the fastest on the team.

Now to Boys' Soccer and my interviews with Alan Zheng and Michael Kangaju, both 8th Graders.

Q: How does this season look for Rosa Boys' Soccer?

A: "It looks promising. We have a lot of good ability on the team," says Alan.

Q: As an 8th Grader, what do you think about your experiences on the Rosa Soccer Team?

A: "It's pretty fun. We fool around a lot, but we get stuff done," says

Michael with a laugh. He returns for his last year.

Last year, I participated in the Field Hockey team, so I asked a former teammate why she had joined the team.

Q: Why did you begin playing Field Hockey?

A: "I continued to play this year because I was on the team last year and it was really fun. The girls on the team are like family," 7th Grader Scout Pullano says with a smile.

Last, but most certainly not least, is the Girls' Soccer team. My final interview is with Kelly Anderson, Grade 8.

Q: How long have you been on the team?

A: "All three years. It's really sad that I'm leaving this year."

Before you know it, we'll be out with the Fall Sports and in with the winter ones! Indubitably, the winter ones will be just as much of a riot with equally as talented players! I was not able to interview any 6th Graders for this issue, but you can bet there will be some thoughts from them next time.
